

# STEPHEN MACKEY

WINE COMPOSER &  
CREATIVE DIRECTOR

## AWARD-WINNING ENTREPRENEUR AND AUTHOR

### About Stephen

With successful careers in professional audio, digital media, video production, online market research and winemaking, Stephen's entrepreneurial journey has seen him deliver world-class results across multiple industries. His style of delivering focused inspirational messages enhanced by entertaining real-life anecdotes ensures your audience will enjoy an unforgettable experience. His ability to interweave seemingly disparate events into fascinating story threads leaves audiences spellbound.

#### Facing Your Fears

Using stories from the founding of his two businesses, he illustrates how the difference between real fear and anxiety can help you take control of your situation, assess real versus imagined risk, and move your initiatives forward.

#### Overcoming Adversity

Illustrating the value of persistence and tenacity, the role of perspective, and the need for passion, Stephen takes your audience on a journey from the brink of disaster to the height of success.

#### The Journey

Learn how entrepreneurial vision, focused dedication, and unstoppable belief in one's self can alter the course of your life and your business.

#### Technological Innovations

By leveraging social media and emerging technologies, rural and small business owners can level the playing field and compete at a whole new level.

Dynamic.  
Entertaining.  
Inspiring.

Whether you are seeking a motivational, educational or entertaining experience, Stephen's passionate and authentic style resonates with all audiences. From senior executives and managerial staff, to students and non-profit members, his ability to craft a focused message specific to your needs delivers every time.
